## IUI & BASIC INFERTILITY TRAINING

Presenting

### *FOGSI Accredited Courses in IUI & BASIC INFERTILITY TRAINING*

"Having a baby is like having a bond with happiness that stays with you for a lifetime. It gives your life a meaning, a worth. But there is another reality of life, which is infertility. To help such infertile couples enjoy the joy of parenthood. Ganesh Test Tube Baby Centre, a well-equipped state of art IVF centre was established in the year 2005 in Nehru Nagar, Ghaziabad. Since then the expert team of Ganesh Test Tube Baby Centre has changed the lives of many couples by helping them have their own baby.
